## AMERICAN OFFICERS IN BERLIN HAVE TO LEAVE OFF UNIFORMS FOR FEAR OF INCITING RIOTS

Anti-Peace Demonstrations  
Continue and Greater Ones  
Are Expected.

POLICE WARN RIOTERS.

Cardinal Hartman Urges the  
Pope to Save Germans  
From Ruin.

BERLIN, May 16 (United Press).—American and British officers to-day were ordered to wear mufti outside their quarters, lest the Germans be incited to acts of violence. American couriers in uniform are compelled to remain inside the Hotel Adlon.

The feeling prevails in American quarters that the demonstration on Tuesday before the Hotel Adlon, in which 15,000 persons participated, may be only the forerunner of even graver occurrences.

The President of Police has warned the people there must be no repetition of the Adlon incident, but the spirit of unrest in the city is obviously growing and, according to Allied officials, must soon find some outlet.

BERLIN, May 16 (Associated Press).—Condemnation of demonstrations before the Reichstag and in Unter-den-Linden Tuesday against the Allies, the United States and President Wilson, is voiced by several newspapers.

Theodor Wolff, in the Tagblatt, ascribes the outbreak to the "Alley element," and says they were unripe youths and denounces their conduct as "childish and unseemly." He says that no sensible and decent person can desire that the great seriousness of the present days be misrepresented by undignified howling.

The Voelische Zeitung prints a letter criticizing the Government for permitting "foreign elements" to so dominate Berlin that signs and placards are posted in the English and French languages and that many foreign actors are permitted on the stages in Berlin. The communication calls for the arrest of the actors and the removal of the placards.

BASLE, May 16 (United Press).—Cardinal Hartmann, according to a dispatch from Cologne to-day, has sent a formal request to Pope Benedict to "save the German people from threatening ruin."

A great crowd staged a demonstration against the peace terms in front of the Atlantic Hotel in Hamburg, headquarters of the American Commission, according to a dispatch received from that city to-day.

Several orators protested against "assassination of the German people." An interpreter translated the speeches for the benefit of the Americans.

## STATE INCOME TAX HITS NON-RESIDENT WORKERS HARDEST

No Personal Exemptions, and  
They Must Pay Double  
Rate, Then Get Rebate.

ALBANY, May 16.—Details of the administration of the State Income Tax Law, signed yesterday by Gov. Smith, are being worked out in the office of the State Comptroller which is to have charge of the collection of the \$45,000,000 additional revenue which the tax is expected to yield.

The tax must be paid between Jan. 1 and March 15. It is the intention of the comptroller to have representatives of his department stationed at each county seat during January, February and March to give assistance to tax payers who need it.

The law provides that incomes up to \$10,000 a year shall be taxable at 1 per cent., incomes from \$10,000 to \$50,000 at 2 per cent., and incomes in excess of \$50,000 at 3 per cent. Exemption up to \$1,000 is provided in the case of an unmarried man and up to \$2,000 for a married man.

The tax will hit the non-resident harder than it hits the resident. The law provides that "any person, firm or corporation in the State who pays to any person for personal service (salary, wages, fees, compensation) must retain 2 per cent. of the amount paid, if for the year it exceeds \$1,000, unless the recipient of the income files a certificate showing that he is a resident of the State."

This means that the New Jersey resident employed in New York will have 2 per cent. of his salary deducted by his employer. Half of this deduction will be retained by the State and the other half will be rebated to the recipient of the income.

When the Income Tax bill was first drafted it provided for a flat rate of two per cent. on all incomes, but later amendments fixed the sliding scale of one, two and three per cent. through an oversight. No change was made in the provision regarding non-residents.

Non-residents, however, will be allowed exceptions based on income taxes paid in their localities, but there will be no non-resident personal exemptions. For example, the New Jersey employee of a New York firm who is married and receives a salary of \$1,800 a year must pay two per cent., or \$36, of which \$18 later will be returned to him.

The married man who lives in Brooklyn and receives \$1,800 salary will not be taxed at all, because residents of the State who are married are taxed only upon incomes in excess of \$2,000.

## 'Song in Your Heart Girl' of A. E. F. Wearing Her 'Scarf of Many Units'

Helen Colloy of Philadelphia, a member of the Overseas Theatre League, and known throughout the battle sectors as the "Song in Your Heart Girl," returning home aboard the S. S. Espagne wearing the most remarkable war souvenir to reach this country. The scarf is decorated with the insignia of every division and lesser unit before which she sang the song by which she later became known.

## S-S-STUTTER TRAPS YOUTH WITH G-G-GUN AFTER H-H-HOLD-UP

C-C-Caught R-R-Running in  
P-P-Park After Drug S-S-Store  
Is L-Looted of \$23.39.

A studious looking youth with horn-rimmed glasses, each lens a little larger than the top of an egg cup, stood in the West Side Court this morning and said:

"N-n-not g-g-guilty."

Twenty-four hours earlier a studious looking youth with horn-rimmed glasses stood in the drug store at No. 10 Manhattan Avenue, leveled a revolver at Harry Messing, the clerk, and said:

"P-p-p-ut up your h-h-hands."

Another young man, also with a gun, was with the studious looking one—perhaps as an interpreter.

"He means up with your hands damned quick," said No. 2.

And, lest the guns stutter, Messing

## RUNAWAY BLIMP GIVEN UP AS LOST AFTER LONG HUNT

Destroyer Reports No Trace  
Found of C-5, Which Broke  
Away at St. John's.

TREPASSEY, N. F., May 16.—The Navy dirigible C-5, which was swept to sea yesterday is now believed to have been lost. The destroyer Edwards which went in pursuit reported by wireless to-day that she had been unable after a search to find her and was returning.

The merchant steamer which had previously reported that she was standing by the big balloon subsequently sent a message that she was unable to stand by longer and proceeded on her way, according to information from the Edwards.

ST. JOHN'S, N. F., May 16.—The reported salvaging of the "Blimp," C-5, which went adrift on the eve of expected orders for a trans-oceanic flight, apparently was without foundation. Lieut. Charles G. Little, chief aviation officer aboard the cruiser Chicago here, said that the Edwards sent no official messages while in pursuit of the runaway.

The Lieutenant held out little hope that the big bag would be saved, adding that the craft would be worthless for flying purposes for some time even if she were picked up.

In anticipation of an early return to New York, the Chicago's crew began embarkation of supplies brought here for the dirigible.

## HOUSE PLANS EARLY REPEAL OF SEMI-LUXURIES TAX

Suffrage and Wire Control Return  
to Be Taken Up After Appropriation Bills Pass.

WASHINGTON, May 16.—Legislation to be considered by the House immediately after the annual appropriation bills are disposed of was agreed upon to-day by the Republican Steering Committee, subject to the approval of the conference of Republican representatives to-morrow night.

The programme includes immediate repeal of the tax on semi-luxuries, legislation for the return of telephone and telegraph companies to private control, railroad legislation and measures benefiting returned soldiers and sailors.

Decision was deferred in the methods of procedure to prevent the seating of Victor Berger, Socialist, of Wisconsin, convicted of violating the Espionage Act.

## BULLET KILLS RICH WOMAN, LATE IN BAYSIDE WAR CAMP

ST. LOUIS, May 16.—Mrs. Beatrice Price, wife of Thomas E. Price, millionaire grain broker, died last night from a self-inflicted bullet wound. Price died to-day.

Mrs. Price shot herself Wednesday evening, police asserted. She died in a local hospital. The police suppressed reports until to-day on request of Price, they said.

Her health is given by Price as the cause for her wife's act.

Last summer Mrs. Price became a common law wife at the Thrive Section, a war camp of women at Bayside, N. Y.

## THREE PLANES MADE READY TO "HOP" FOR THE AZORES WITHOUT FURTHER DELAY

Commander Towers Reduces Load  
of Craft and Announces Crews—  
New "Taking Off" Place Chosen  
Following First False Start.

WASHINGTON, May 16.—Favorable weather conditions for the start of the transatlantic flight from Trepassey Bay were reported to the Navy Department this afternoon by patrol ships along the course to the Azores. The forecast as transmitted to Commander Towers by the Weather Bureau said:

"Surface winds fresh and possibly strong west and southwest. Upper winds fresh to strong west over course between Newfoundland and Azores. Some clouds. Fair visibility and rising temperature. Conditions favorable for start."

TREPASSEY, N. F., May 16.—Crews of the three American transatlantic seaplanes were preparing at 3:50 P. M., (2:20 P. M., New York time) for the start of their trip to the Azores.

Weather reports were favorable and it was expected that the planes would cast off from their moorings in about an hour.

Repair on the NC-4, which reached here yesterday from Chatham, Mass., had been rushed to enable her to "hop off" with her sister planes, the NC-1 and NC-3.

The aviators held a conference to decide means of lessening the 28,800 pounds burden which contributed yesterday to the inability of the NC-1 and NC-3 to rise from the water, and to select a place for the "take-off."

## COMPENSATION LAW SAFEGUARD APPROVED

Governor Signs Bill Prohibiting  
Direct Settlements Unless  
Officially Sanctioned.

ALBANY, May 16.—The Foley bill to amend the Workmen's Compensation Law by prohibiting direct settlements except after approval by the Industrial Commission was signed by Gov. Smith to-day.

The Governor also signed the Hewitt bill appropriating \$25,000 for the employment of prisoners in the construction of State and county highways.

## CORSETS ARE UNDERWEAR FOR TAXATION PURPOSES

Revenue Bureau Experts Decide on  
What Luxury Levy  
Is Due.

WASHINGTON, May 16.—For weeks experts of the Internal Revenue Bureau have pondered definitions of underwear and other articles subject to the luxury taxes that went into effect May 1. In preparation for regulations governing administration of the tax, finally, they developed this definition of underwear:

Any garment worn under the outer dress, such as undershirts, drawers, pants, bloomers, union suits, combination suits, tighties, camisoles, corsets, corset covers, brassieres, chemises and vests.

The recommendations add that "the list is by no means intended to be exhaustive, but merely to give a general notion of the wide variety of articles taxable."

The tax is 10 per cent. of the selling price in excess of \$5 per garment.
